Marshall and Morris win South Bay seats

SOUTH BAY -- The incumbents are out and Rennick Morris and Willie Frank Marshall are in.

Morris and Marshall won the Group I and Group II South Bay City Commission Seats in Tuesday's election.

Morris defeated Incumbent Ray Sullivan and former Commissioner O'Neal Walker in the Group I race.

Morris, a mechanic for the Palm Beach County Transportation Department in the West Area received 278 votes, Walker received 174 votes and Sullivan garnered 90 votes.

A twenty-six year resident of the City of South Bay, Morris said his victory without a run-off

was due to the hard work of his many supporters.

"The citizens wanted a change, they wanted a commissioner of integrity and a commissioner that would stand by his word," said Morris.

"With God's help, my campaign manager the Rev. Clifford Davis and hard work and the sincerity in the people and the sincerity of the people in polling our efforts together for a constructive effort for all the community I was able to win," said Morris.

On hand along with Morris' many supporters was his wife, Kathleen to congratulate him on his victory.

On the outset of the election, Morris said, Com-

missioner Sullivan said to him he did not know the English language well enough to win. Morris is a native of the Bahamas.

Sullivan was running for his fifth term and his third consecutive term.

Marshall, a resident of South Bay for 32 years defeated Sammy Rogers. Marshall received 280 votes to Rogers 257 votes. Rogers was serving his first term on the commission.

"My birthday is Wednesday and this is the best birthday present I could receive," said Marshall.

Marshall ran unsuccessful against Refugio Garcia three years ago.

Marshall is a heavy equipment operator at the Gulf and Western Okeelanta Sugar Mill.

He resides at 165 N.W. 6th Ave., with wife, Rosa Mae Marshall and three children.

He said he would work for all the citizens of South Bay. "I am a public servant and I asked that the people bring their problems to the Commissioners instead of staying a home with them," said Marshall.

City Clerk Virginia Walker said 587 votes were cast in the election. Five of the votes were absentee votes. There are 1,034 registered voters in the city according to Walker.

South Bay City Commissioners are urged to retain ordinances

SOUTH BAY -- Newly elected Commissioners Rennick Morris and Willie Frank Marshall went right to work Tuesday night after being sworn in by City Clerk Virginia Walker.

A large group of concerned citizens appeared before the Commission and asked that they not abolish three city ordinances which prohibits the sell of alcoholic beverages in certain areas.

At the last regular City Commission meeting, the Commissioners instructed City Attorney James Gann to draw up an ordinance to repeal the three restrictive ordinances. Mrs. Audrey Pierce, owner and operator of Audrey's Bar, closed down by the Health Department last year, asked the Commissioners to repeal the ordinances.

Mayor Donald Tanner said at the outset of the meeting no official action would be taken Tuesday night, but the Commissioners would listen to the comments of the citizens present.

Tanner said no action would be taken due to the election of the new commissioners. Tanner said he felt Walker and Morris would want more time to familiarize themselves with the matter.

After listening to

several speakers against the change, Mrs. Marie Busbee asked the new commissioners could they vote on the matter Tuesday night.

Mrs. Busbee said she was against the bar moving into the former city hall because of its closeness to the new city park, presently under construction at the former site of South Bay Elementary School on Palm Beach

Road. "The bar close to the park will be hazardous to the children going to and from the park," said Mrs. Busbee.

Frank Freeman told the Commissioner "it would be foolish" to have a bar close to the park.

"I have no small children, said Freeman, but as a member of the community I fear the safety of all children

Newly elected Commissioner Willie Frank Marshall is congratulated by his wife, Rosa Mae Marshall on the right and his sister on the left.

City Clerk Virginia Walker swears in Commissioner Rennick Morris. Morris defeated incumbent Ray Sullivan for the Group I seat in Tuesday's elections.

Parade route changed

BELLE GLADE -- The Black Gold Jubilee Committee heard reports Friday, Feb. 26, that the parade route had been changed and that local ministers were planning a Sunday evening worship service to close out the weekend.

The original parade route would have entered the jurisdiction of three government agencies: the city, the county and the state. Permits would have to have been obtained from all three.

According to Carol Ann Haller, the new route will start behind Glades Central and end at MacDonald Park.

The parade participants will group on NW Avenue H and proceed to Main Street where they will travel south to city hall.

A "one-half marathon" is scheduled to end about the time the parade begins. The marathon runners will start behind Glades Central on NW Fourth Street, run to Canal Street. Canal will be followed to Main Street. They will run north on Main to Avenue L. From Avenue L, they will run west to SR 715, heading south to SR 717, which they will follow west to the lake. They will run down the dike a few miles and turn and run the same route back to Glades Central.

A three mile run will also be held. Trophies will be given to the top three con-

testants of each sex in each event, according to Jill Wright, who is organizing the event.

The committee also heard from Chairman Steven Weeks that several area ministers are planning a worship service to be held at the marina before the fireworks Sunday, April 4.

Originally, Robert H. Atkins of the Belle Glade First Baptist proposed the Sunday evening worship service.

Atkins, who will be out of town during the Jubilee, proposed to organize the service for the 1983 Jubilee.

Several other ministers decided to go ahead with the project for this year's festivities, according to Weeks.

David T. Evans, chairman of the Belle Glade Ministerial Association, said he is planning to get together with several of the other local ministers to discuss the worship service.

"Well, if the people are willing to do something about it, it's very possible," he said. "We may be the leaders, but if people don't follow us, it doesn't do any good. This would be a great time for all the people to get together. It might be a real good opportunity to gather together in thankfulness."

Man held in shooting

BELLE GLADE -- A Saturday morning which left one man dead and another wounded has resulted in first degree murder charges against a migrant laborer from Texas, according to the Sheriff's Office Glades substation.

Ramiro Navarro, 39, of 20 Duda Trailer Park, Duda Road, is in Palm Beach County Jail facing a charge of

first degree murder in the shooting death of Cristobal Garcia, 25, of apartment 27, Duda Labor Camp, Six Mile Bend, SR 80, according to Detective Rick Murray, the investigating officer.

"According to Murray, Garcia was shot once in the chest with a .22-caliber pistol between 7 and 8 a.m. Saturday, Feb. 20, after an argument with

Navarro earlier in the day.

Another individual, Juan Rodriguez, 21, of 32 Duda Trailer Park, was shot in the right hand. He underwent surgery Sunday morning is listed in good condition at Glades General Hospital.

Garcia, a Mariel refugee, was employed by A. Duda and Sons Farms in Belle Glade.

Installation of new members into Phi Theta Kappa Honor Society were held at Palm Beach Junior College, Glades recently. New members are Lenelda Allen, Brenda Bunting, Ada Bush, Rhonda Cason, Penny Cook, Gail Davidson, James Davidson, Laura Hoskins, Patricia Lynn, Gerry Meek, June Mikell, Madeline Mill, Kathy Miller, Margaret Nelson, Teresa Thrift, Valerie Watton, Loretta Weeks and Lori Zumm.

Police disclaim affiliation

BELLE GLADE -- The Belle Glade Policemen's Benevolent Association is not affiliated with any state or county organizations currently soliciting funds by telephone, according to Detective J.R. Eberle, president of the Belle Glade PBA.

Some local residents have reportedly received telephone calls soliciting funds for police associations in the county. Some residents have been told a portion of the money the agency making the solicitations collects goes to the Belle Glade PBA.

"That is a lie," said Eberle. "We receive

nothing from the county, we give nothing to the county. If someone wants to make a donation to our association, we would gratefully accept it. We are a social and fraternal organization. We are not affiliated with the county. We are not affiliated with the state."

Headed that the local PBA is endeavoring to legally have the county and state stopped from using the Belle Glade PBA in its solicitations.

The only fundraising effort sponsored by the Belle Glade PBA is the annual Policemen's Ball, according to Eberle.

Lions seek donors

BELLE GLADE -- The Belle Glade Lions Club is sponsoring a project aimed at getting Belle Glade residents to donate blood. As part of the project, donors may select what they wish to credit their donation to.

According to club representatives, the Palm Beach Blood Bank is the main source of all blood required by the 15 hospitals in Palm Beach, Martin, Hendry and Okeechobee Counties.

Each month, the hospitals in those four counties need more than 5,000 units of blood, according to the club. Blood is perishable and must be used within 35 days.

The occasion was given by Valerie Blanding and the Glades Central Community School band under the direction of Willie Pyfrom played several selections.

Dr. Catherine Lowe addressed the Glades Central Student Body during a special Black History Program.

Free cheese to be given

Free cheese will be distributed to elderly and needy residents of Palm Beach County through Florida Golden Gator Projects, a non-profit organization, according to Michael Saunders, an administrative aid to County Commissioner Bill Bailey.

The United States Department of Agriculture is expected to donate about 35,000 pounds of cheese to the project.

The cheese will be distributed in five pound blocks to citizens aged 55 or older and making less than \$8,000 per year. Disabled persons are also eligible to receive cheese, according to Saunders.

"We have about 75,000 residents at the poverty level in the county," said Saunders.

Those wishing to receive the cheese should apply to the Golden Gators.

Residents will be mailed a ticket and informed where and when they can pick up the cheese, according to Saunders.

going to the park with a bar next to it." The Rev. Clifford Davis said it is "unreasonable" for a bar at the proposed location. "It's bad for the environment and I oppose it 100 per cent," he said.

The Rev. Alvin Jones, pastor of the New Bethel A.M.E. Church said his congregation was also opposed to the bar next to the park.

"Regardless of the race, creed, color or national origin of the children attending the park, it will be bad for them to be exposed to the atmosphere of a bar next to the park," said Jones.

After listening to the comments of the citizens, Commissioner Morris said if the decision was delayed a year his decision would not change. "I am opposed to the ordinance change," he said.

Commissioner Marshall said he was also against the ordinance change.

Commissioner Veranita Cox said she was opposed to the change. "I do not want to see a bar at that location, but would be most happy to work Mrs. Pierce to find a suitable location for Aubrey's Bar," said Cox.

The repeal ordinance drawn up by Atty. Gann never reached the floor for a lack of a motion. The three ordinance will remain in affect.

Open letter

OPEN LETTER TO THE GLADES AREA CITIZENS

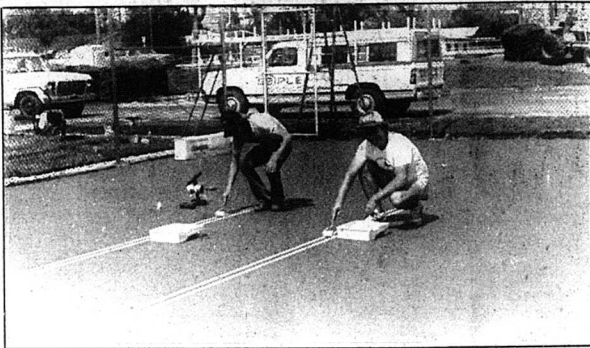

The School Board has as one of its responsibilities the protection of the taxpayer from excessive spending. The School Board is currently studying the organization of the elementary schools in Belle Glade. The recommendation has been made by the Superintendent to go with a K-5 program, phased in over a two year period due to the lack of funds to provide housing at Gladesview Elementary next year. The Superintendent left the impression that the Unified Curriculum was a K-6 program at the last meeting on Feb. 11.

The people very clearly let it be known that they wanted K-6 elementary schools. It would seem they are aware of the dollars and the pro-

gram than the Superintendent. Consider - Three elementary schools now house K-4 programs and one elementary school houses grades 5 and 6. Isn't it logical that four elementary schools should be able to house K-6 programs beginning next year, without large expenditures of dollars? Consider - Unified Curriculum is a K-6 program through out Palm Beach County. There would be no discrimination against our students if the sixth grade was part of an elementary program.

In fact, our students would benefit due to the added year in a structured reading program. Consider - The superintendent indicated that the sixth graders would have art and music if they were in a middle school program. Art and music are supposed to be in

Support your local police

We believe in supporting our local police. It's a shame when someone utilizes the name of our police and people's desire to support them to turn a fast buck.

That is what is happening right now. A profit-making fund raising agency has been soliciting funds for county police associations. In the process, they are leading many Glades residents to believe that the money they contribute may find its way, at least in part, to the Belle Glade Policemen's Benevolent Association.

"That is a lie," said the president of the Belle Glade PBA, J.R. Eberle.

The local PBA is not affiliated with any other police organizations, state or county. No money collected by any of those organizations finds its way to the Belle Glade PBA coffers.

The only fundraising effort the local PBA members actually undertake is selling tickets for the annual Policemen's Ball.

If local citizens wish to financially support their local PBA, we urge them not to make donations to those soliciting funds over the telephone.

Make your donation directly to the local PBA or wait and purchase a ticket to yearly ball.

History of the Everglades

20 YEARS AGO BELLE GLADE HERALD MARCH 7, 1972

State Road Department budget hearings for the district were to be held shortly and were expected to consider U.S. 27, according to John H. Monahan of Fort Lauderdale, Road Board member for the nine-county district.

The Belle Glade Herald began running a column to give information to Glades residents on the hospitals located in Belle Glade and Pahokee, in preparation for a straw vote on a consolidated facility.

Included in the information listed in the first column was that the community was given the land in 1948 to build the Belle Glade hospital.

The 45-bed hospital was designed for a community with between 10,000 and 11,000 people. The daily census in the hospital for the first part of 1962 averaged 73 percent.

The assessed valuation of property in the hospital district was \$29.7 million.

Florida Commissioner of Agriculture Doyle Conner urged area sugar cane growers to participate in an organized plan to secure commitment by the administration.

The plan was expected to result in enactment of a sugar bill being prepared to embody features agreed to by all producers and more give in assignment of quotas to care for cane presently planted in Florida.

30 YEARS AGO THE BELLE GLADE HERALD FEBRUARY 29, 1952

Residents of Southeast First Street told the city commission they objected to a halt to street work being done on their street by the State Road Department.

The commission had demanded a week previously that the SRD stop the project because the curb and gutter work didn't meet city specifications.

James Ball said the halt came as a shock to the residents. He said no one on the street had asked for the work but SRD representatives had come to them and asked if they wanted the curb and gutter work done.

Ball said the residents agreed to the work in good faith but the halt left the street completely bottled up and no drainage was available. Early installation of flasher signals at 6 Mile Bend was promised by County Commissioner Paul Rardin, who advised other commissioners the lights were on order with an urgent request for early delivery.

In the meantime, Rardin said, two flagmen were on duty at the bridge in an effort to warn approaching motorists of the dangerous span.

Besides the flagmen, Rardin said a total of 30 warning signals, 15 on either side of the bridge, served as warnings to drivers to approach the bridge with caution.

A total of more than \$1.8 million worth of road and bridge work was announced for the Glades area by the State Road Department.

The projects included bridges at 6 Mile Bend, Lake Harbor, South Bay and Canal Point and

roadwork at Farmers Market Road and Cardwell Road in Pahokee. U.S. 98 from Canal Point to 20 Mile Bend, U.S. 441 between Belle Glade and Pahokee and signals at Florida East Coast Railroad in Pahokee.

40 YEARS AGO THE BELLE GLADE HERALD MARCH 6, 1942

A mass meeting was held in Belle Glade to discuss plans for a larger city water system and condition of the existing system.

The proposed project, with a price tag of \$150,000, included a 14-inch line to the lake, two intakes with pumps to operate them and enlarging the capacity of the existing treatment plant.

A history of the existing treatment plant indicated it, like the electric and telephone utilities, had never been large enough to service the community.

The Chamber of Commerce board of directors unanimously re-elected James F. Scullen as president and W.M. Jeffries as secretary and treasurer for the coming year.

Other officers were Lawrence Will, A.E. Kirchman, Joe Gold and Junius Harris.

In an all out effort to speed up the area's protection, the Belle Glade Civilian Defense Council was urging that all citizens take one or more of a series of courses being offered.

The courses, arranged so individuals could sign up for more than one at a time, included war gases, incendiary bombs and first aid, and were available in a number of centers in the Glades.

Knowledge of the course material was expected to benefit anybody in the area in case of emergencies.

50 YEARS AGO THE EVERGLADES NEWS MARCH 4, 1932

In a campaign to eradicate the cattle fever tick, the State Livestock Sanitary Board extended the quarantine regulations south.

Dipping operations were expected to begin shortly in Okeechobee County and parts of Glades, Hendry, Collier, Lee, Highlands and other contiguous counties by the middle of the month.

Cattle, defined as cows, bulls, steers, oxen, heifers, sheep, goats, horses, mules and asses, were to be dipped every two weeks in vats built for the task.

One effect of the quarantine was to protect cattle in Palm Beach and Martin Counties.

As a result of proposals made at a conference in Fort Lauderdale, Belle Glade was to be included on the route of a proposed federal highway.

The route was to run from St. Cloud to Okeechobee, from Okeechobee to Belle Glade and from Belle Glade to Fort Lauderdale.

State Senator Alfred H. Wagg and Representative Ruth Bryan Owen were supporting the project.

The road was meant to connect U.S. 192, which already ran from Melbourne to Kissimmee, and SR 29.

Getting away with murder

It seems every day we read about another criminal who has defeated justice by tying up the legal system with one more appeal, one more stalling tactic.

A murderer received the death penalty six years ago but continues to evade his punishment. No one disputes the criminal's guilt. The central issue boils down to thwarting the death penalty.

When every state court upholds the sentence, the criminal and his lawyer take the case to federal court, rung by rung.

I have friends who are lawyers who tell me that I don't understand the judicial system. They say I am not qualified to judge a case, unless I have personally reviewed the court documents and sat through the proceedings.

Making a judgement on the basis of something I have read in a newspaper or seen on television is wrong.

They may be right, but I think there comes a time after clear finding of guilt and a verdict handed down in good conscience, that justice is no longer being served.

There are some who attack Florida for making liberal use of the death penalty, rather than life in prison.

They say that this is a backwards way of doing things and that criminals are not really being deterred.

Anyone can see that criminals are not fearful of committing violent acts. While many receive the death penalty, few receive death.

Felons sitting on death row may not have much of a life to look forward to, but at least they can look forward to a long life, even if it is spent behind bars.

I write this column at the risk of sounding distinctly unliberal. The fact is that most of the folks on death row did something bad enough to convince juries from all over the state to send them there.

We all know how effective parents are who promise a child a spanking, but don't follow through. You can apply the same principle to adults who murder people. They know the punishment. But they know they probably won't have to suffer it.

It is a real experience watching politicians trying to restrict the state.

Redistricting has been a political football in this country since at least 1812. Elbridge Gerry, who - believe it or not - became vice president of the United States, had a term named after him which became synonymous with redistricting. It is called gerrymandering.

The term means to divide an area so as to give one political party a majority while limiting the influence of the opposing party.

Gerry took his implausible place in history when the state of Massachusetts was redistricted while he was governor.

It is strange to note that his accomplishments as vice president are long forgotten, while the unsavory means of redistricting took his name and far outlived his fame.

I hope the legislators in Tallahassee can get the redistricting question settled soon and get on to other business.

Come to think of it, however, their preoccupation may not be such a bad thing. If we are lucky, there could be fewer new laws passed this session than in years past.

Historical Glades women reviewed

Catherine Kennedy was the guest speaker at the luncheon meeting of the Pahokee Woman's Club on February 24.

Introduced by Clark Hull Wilkinson, former president of the club, Mrs. Kennedy's topic was "Local Women to Whom We Are Indebted."

Having about 50 women on her list, Mrs. Kennedy could only touch on a small percentage of them including the following: Mrs. Homer Vivian was the first president of the Pahokee Woman's Club, served during 1922-24.

Mrs. Loula V. York who began teaching during pioneer days in a shack on the shores of Lake Okeechobee, but continued to work in developing the school system for many years.

The only registered nurse in Pahokee, at the time of the disastrous 1928 hurricane, was Mrs. Laura Kennedy, sister of Mrs. C. M. Todd.

A pioneer of the area, Mrs. Blanche Armstrong, wife of Dr. L. W. Armstrong, was the first president of the Pahokee PTA, and the first woman to be elected to the Pahokee City Council.

Mrs. Martha McIntosh was the first president of the Pahokee Garden Club, organized in 1927.

Mrs. Ruth Meredith, a long time resident of Pahokee, now living in "Lake Worth," was instrumental in the development of the City parks and the beautification of the City.

The first Pahokee librarian, to be paid by the City, was Susan Rozelle, followed by Mrs. Ida Larimore, who served about 20 years. Mrs. Larimore was succeeded by Mrs. Uldene Todd, wife of C. M. (Mack) Todd. Mrs. Todd was the first librarian in the Loula

V. York Library. Mrs. O. R. (Marion) Blech has worked efficiently, and with dignity, as Pink Lady at Everglades Memorial Hospital for many years. She will soon receive recognition for having served 20,000 hours.

Mrs. Harriet Seldes and her committee, which included Mrs. Ada Bush and Mrs. Doris Wetherington, was instrumental in raising \$50,000 to get the old Prince Theater refurbished and reopened.

At the conclusion of her talk, Mrs. Kennedy was presented with a gift by Clark Wilkinson, program chairman.

The luncheon tables were centered with attractive arrangements of flowers. Hostesses for the occasion were Becky Kepp, Clark Wilkinson and Janette Johnson.

Anne Wilkinson, club president, announced the City Museum, sponsored by the Woman's Club, will be open to the public during the 60th anniversary celebration of the City on March 19, 20 and 21. The hours will be announced.

Guests of honor at the luncheon were members of the Happy Friends group who observed their seventh anniversary during February.

Happy Friends attending were Sarah Hendrickson, Adeline Wooten, Rachel Harrington, Martha McIntosh, Julia Mathis, Virginia McKinstry, Glemma Helvy, Wilma Holley, Maggie Pope and Ethel Johnson.

Other guests were Doris Donovan, who gave the Invocation; Irene Bowe, Bess Melwain, Olla Vene Weeks and Sarah Ann Gowdy.

The next meeting of the club will be a business session on March 10.

Retiring directors honored

Retiring Board Members Dr. Donald Flihs and John Pitts of Belle Glade were honored for their service at the annual meeting of the Children's Home Society of Florida, South Coastal Division.

Flihs and Pitts have served six years as Directors of the Board. Flihs was its treasurer for several years.

Newly elected to the Board of Directors are Mrs. William (Carole) Fischer of Loxahatchee and Mrs. Edward A.

(Beverly) Upthegrove of Clewiston.

The Children's Home Society of Florida is a private non-profit statewide agency serving the children and families of Florida. Established in 1902, it has placed over 21,000

children in adoptive homes and has served more than 80,000 children and families in its 80 years of service. The South Coastal Division of CHS, located at 3600 Broadway in West Palm Beach, serves Palm Beach, Martin, St. Lucie, Indian River, Glades, Hendry and Okeechobee counties.

Cosmetics seminar slated

BELLE GLADE -- An Aloette Cosmetics Seminar will be held Friday, March 5, at 7:30 p.m. and Saturday, March 6, at 2 p.m. at the Holiday Inn conference room, Belle Glade.

Dianne Echhardt,

training director from Philadelphia, Penn will be the guest speaker conducting the seminar.

Ms. Echhardt will be training all beauty consultants for Aloette who represent the

South Florida area and also women who are interested in becoming beauty consultants for Aloette part time or full time.

These training classes will cover skin care, color, sales and

management.

Marjorie Echols, president of the local franchise, invites all who are interested in the seminar to attend. For more information you can contact her at 996-5805.

Bike-a-thon volunteers needed

PAHOKEE -- Bike-a-thon chairpersons Patricia Wallace and Mary Beth Sanders today asked residents of Pahokee and Canal Point to participate in the St. Jude's Research Hospital "Wheels for Life" Bike-a-thon, Saturday, March 13.

Volunteer workers and riders are needed for the Bike-a-thon to raise funds for the world-famous research center and its battle against childhood cancer and other catastrophic childhood diseases.

Mrs. Wallace and Mrs. Sanders said this year's ride is being dedicated to Terry, a

leukemia patient at St. Jude. "By riding for Terry, we'll really be helping all stricken children since research is the only way these illnesses can be conquered," the chairpersons said. "We're looking for people who will contribute some of their time and energy to help children live. We really need bike riders, since they are the ones who can make this Bike-a-thon successful."

In the Bike-a-thon, riders enlist sponsors who donate a sum for each mile completed. Riders who raise \$25 will receive a St. Jude T-shirt, and those raising \$75 will receive a

jacket," said Mrs. Sanders. "We are also planning to have prizes for other riders." Sponsor forms are available at local grocery and department stores, as well as at school churches in the area.

"You can help St. Jude Hospital muscles to work for a child's life in this Bike-a-thon," Mrs. Wallace said. "We need every bike and every rider."

Interested persons can contact either Mrs. Patricia Wallace, 145 Apple Ave., Pahokee, 924-7030; or Mrs. Mary Beth Sanders, 125 Third St., Canal Point, 924-1975 for more information.

St. Jude Hospital, which was founded by entertainer Danny Thomas, and operates primarily from public contributions.

Gifted students meet

On Monday, March 1, the fourth grade Gifted Class played host to Barbara Pott's SOI class from Roosevelt Elementary School in West Palm Beach.

The students visited Rabbit Island Rock Pit in South Bay to collect specimens of fossilized shells. Many of the students in the SOI

class visited the Glades for the first time.

This was an opportunity for students to share Glades Community Resources with students from other areas. By collecting these specimens, students were able to realize that this part of Florida was at one time part of the ocean.

the elementary grades next year too aren't they?

Consider — If the superintendents plan is adopted by the School Board, Belle Glade would have the only sixth grade school in the county — yet the superintendent indicated he was working

to make the Belle Glade schools equal to the coast schools.

I (we) hope the School Board heads the voice of the people on this issue. Give K-6 programs in the elementary schools in Belle Glade.

New members installed

BELLE GLADE — The Phi Theta Kappa Honor Society held its installation of new members at Palm Beach Junior College on Feb. 25.

Sandy Richmond, sponsor of Phi Theta Kappa, gave the opening comments and welcomed the new members. Mrs. Richmond said the organization has been in existence since 1918 as an active chapter and told the group that there were now 500 chapters in 48 states.

"Humans have a need for esteem and belongingness," she

told them, "and Phi Theta Kappa meets those needs."

The invocation was given by Mr. Sherrill Tillery, Minister of Education at the First Baptist Church of Belle Glade and the speaker for the occasion was Dr. Cecil Conley, Provost of Palm Beach Junior College, Glades.

Dr. Conley spoke to the audience on motivation and stressed that Phi Theta Kappa was going to be a credit to the initiates in many ways.

Ms. Alice Zacherl, Assistant Director of Library Services at the college gave poetry reading. Poems read were Ron McQueen's "Winter Night," an anonymous poem titled "A Friend Indeed," and a poem by Lorine Isley titled "Two Hours from Now."

Initiation services were conducted by Phi Theta Kappa officers, Alicia Lancaster, President, Mark Revels, Vice President and Kelley Thomas, Secretary.

Super Bowl of dirt track racing

By JEFF BROWN

BELLE GLADE - The road to the Super Bowl starts in Belle Glade.

At least it does for Glades resident James E. Paulk.

Paulk is the owner, designer and builder of one of the top four ranked dirt track racing automobiles in the United States. This Saturday, March 6, he hopes to have his machine racing in the Silverdome in Pontiac, Michigan.

The only things standing in his way are the qualifying runs Saturday morning and a little bit of luck.

The race, 75 laps around a quarter mile track, carries a \$50,000 purse.

The race is sanctioned by the National Dirt Racing Association and Schlitz Pro-National Series. Several top names are to race in the event, including Benny Parsons, Buddy Baker, David Pearson, Neil Bonnett, Kyle Petty (Richard Petty's son) and Jeff Bodine.

Major dirt track names slated to race in the events of the day include Bob Senneker, Johnny Parsons, Freddy Smith, Buck Simmons, Jack Boggs, Larry Moore and Jerry Iman.

The event is by invitation only.

Receiving the invitation to participate was "quite an honor to me," said Paulk.

Paulk builds and sells his cars from his home on NE Avenue G in Belle Glade.

In the past, his cars have been driven for him by Kevin Gundaker. Now his car is driven by a St. Louis resident, Kenny Scader.

Paulk isn't one to sit on his laurels, though.

He said he is currently working on developing a car with a tube frame chassis to make it lighter and therefore faster.

"You always have to work at getting faster," said Paulk. "That's what the game is about. If you get out of this business for six months, it

takes you a year to catch up. Sometimes the factories come up with a new compound and they ship them to us air freight and we put them on at the track."

Paulk used to work at one of the local sugar mills but quit that and now makes his living building, designing and running his cars.

"I raced then, too," he said. "I don't run anything except where the money is at. The only way to make money at this is to travel. You got to travel."

Last year, Gundaker raced one of Paulk's cars to 29 major wins and 19 track records.

Paulk has to race where the money is. His cars run on Methanol and average about half a mile per gallon.

The tank holds 32 gallons, which can get the car around the track about 50 times in most races, according to Paulk.

In dirt track racing, the events are red-flagged for a fuel stop, eliminating the need for speedy pit stops, he said.

"They're (the autos) fire hazards," he explains. "You don't want to hassle with a pit stop."

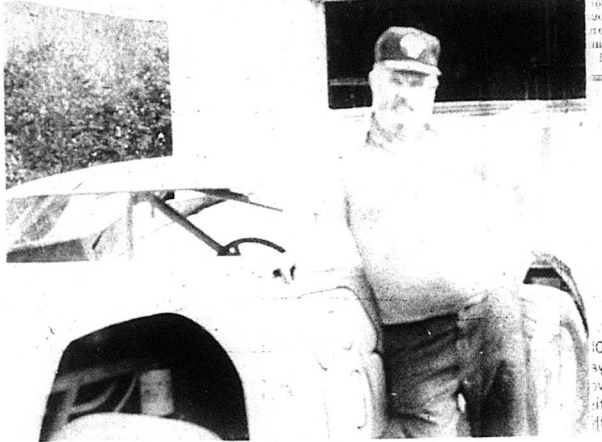

Paulk said he used to race in asphalt events, but left that area a couple years ago in favor of dirt track racing. Dirt track racing is not tangled up in as many rules and regulations as asphalt events, he said.

There are no specifications in dirt track racing. A dirt car can run with any size engine or body and any type of tire.

Paulk said four different sizes of tires are put on his car at one time. Smaller tires are put on the passenger side of the car.

He has a 700-plus horsepower engine in his car.

"The best way I can describe it is that it's like strapping him (the driver) to a stick of dynamite," he said.

JAMES PAULK stands beside his racer.

Retarded citizens focus of attention in March

By ALMA HENRY

BELLE GLADE - March is Mental Retardation Month and the local Association for Retarded Citizen is planning a number of activities.

Organizers hope to make America's number one children's health problem, mental retardation, a more readily understood illness.

Executive Director Tricia Blash and the Board of Directors kicked off Mental Retardation Month Monday with a luncheon for elected officials from Pahokee, South Bay, and Belle Glade and the press.

Commissioner George Goforth of Belle Glade attended the luncheon along with the press.

Mrs. Blash said Mayor Duncan Padgett of Pahokee issued a proclamation in recognition of Mental Retardation Month and Mayor Thomas Altman of Belle Glade and Mayor Donald Tanner of South Bay have also agreed to issue proclamations.

In addition to the kick off luncheon, Mrs. Blash said the agency has planned a number of fund raising events. On Friday, March 5, a Salad Bar Luncheon will be held at the Belle Glade Civic Center.

Mrs. Blash said the luncheon will be held from 11 a.m. to 2 p.m. and the donation is \$3. The luncheon menu will include salad greens, cheese, meat, bread, fruit, dessert and beverage.

On Saturday, March 27th, the Third Annual ARC Super Skate will be held at Glades Skate World.

Mrs. Blash said the clubs are also invited to ARC facilities for their March meetings.

Mrs. Blash said a number of clubs have signed up to meet at the facility.

The Nu Kappa Sorority met at the center Monday and was given a tour of the center by Mrs. Blash.

The Belle Glade Junior Woman's Club, the Belle Glade Women's Club, the Civitans, Kiwanis of the Glades, Okeechobee Bassmasters and Precrater Sorority will all meet at the center during March.

March 10, 11 and 12, Mrs. Blash said the ARC Legislative Meeting will be held in Tallahassee.

Mental Retardation Sabbath Weekend is March 13 and 14. Local ministers are encouraged to recognize Mental Retardation Month.

On March 24, the public is invited to tour the ARC Facility between the hours of 10 a.m. and 4 p.m.

A non-profit agency, Mrs. Blash said the center located in Belle Glade serves retarded citizens in Western Palm Beach County.

The center serves 64 students and the agency operates a pre-school, which serves 18 mentally retarded children between the ages of two and five.

Mrs. Blash said an Adult Education Program serves 12 mentally retarded adults who are 18 years and older.

An Infant Intervention Program serves 12 developmentally delayed or mentally retarded children from birth to age two, according to Mrs. Blash.

"A teacher makes weekly visits to students' homes to work with both the child and the parent," Mrs. Blash said.

To make sure their clients receive recreational stimulus as well as educational stimulus, a Monday night recreation program is held at the Lake Shore Civic Center from 7 to 9 p.m.

A new program added within the last year also provides vocational training for the mental retarded.

According to Mrs. Blash the agency offers a lawn maintenance program, an aluminum recycling center and a domestic service business. "Once the training is completed the students are placed on jobs and receive wages," Mrs. Blash said.

Funding for the programs comes from the United Way, State of Florida, Palm Beach County, the cities of Belle Glade, Pahokee and South Bay, private contributions and fund raising activities.

Mrs. Blash said the agency also hopes to increase membership during the month of March. Each of board members have been asked to recruit one new member. There are currently 160 members.

For more information about being a member of the ARC or volunteering your services call Mrs. Blash at 996-4335.

Mrs. Blash said it is hoped that by the end of March, the local communities will know more about mental retardation, the local agency and the services it provides.

Miss Afro Arts pageant slated

BELLE GLADE - The Third Annual Festival of Afro Arts Pageant promises to be an evening of enchantment when nineteen young ladies join to gether to present a special musical presentation.

Mrs. Clarice Davis, coordinator of the pageant said for the first time, in addition to individual talent presentations, the contestants will present a joint talent routine.

The pageant originally scheduled for March 17 has been changed according to Mrs. Davis to Tuesday, March 16 at 7:30 p.m., at the Lake Shore Civic Center.

The Rev. James Allen, Jr., will be the emcee for the pageant.

The pageant is being produced by the Executive Board of the Afro Arts Festival and the Iota Omicron Zeta Chapter of Zeta Phi Beta Sorority.

Among the many contestants participating in the pageant are:

Mrs. Tammy Renee Harris, the 13 year old daughter of Mrs. Annie Mae Moore and Roy Harris, Sr. Mrs. Harris attends Lake Shore Middle School and is a member of the band and the drill team.

She enjoys communicating with people, dancing, bike riding and singing. She hopes to attend college upon completion of high school.

Contestant Josette La Katie Bell is the daughter of Mrs. Mary Rogers Bell and Mr. Joseph Lee Bell.

She resides at 709 S.W. Ave. E. in Belle Glade, and is a member of Girl Scout Troop number 230. Josette's mother is a Zeta and like her mother, Josette would like to be a Zeta Phi Beta Sorority member. She enjoys

dancing and plans to become a professional dancer.

Lashanya Kendrick, the 11 year old daughter of Mr. and Mrs. Charles Kendrick, of 100 S.W. 5th St., Apt. 13 of Belle Glade, is a member of the New Bethel Baptist Church.

Lashanya loves all types of sports and her hobbies are playing football, singing, reading and dancing.

Miss Ediva J. Henderson, the daughter of Mr. and Mrs. Willie H. Henderson, is a student at Lake Shore Elementary School. Ediva is a Girl Scout and is a member of the Junior Choir at her church.

She enjoys reading, dancing, ballet dancing, and playing the piano. Ediva will one day be a lawyer or realtor.

Barva Josette Miller is the daughter of Mr. and Mrs. Henry Miller.

Lisa, as she is called by most of her friends, is a member of the St.

Jesus told the parable of the soils, the seed and the sower. The master story teller relates the listening of people to various types of soils.

Our Lord likens the differences in soils to the different types of hearers. People accept the gospel or the word of God in many ways.

Dr. William Barclay describes the hearers in the following manner. First there is the hearer with the shut mind. His mind may be shut because of prejudice. He is blind to everything that he does not wish to understand.

The prejudiced man erected a barrier which is not easily broken down. This may be the result of pride or the fear of new truth. Sometimes man becomes secure in his knowledge and only accepts that which reinforces his original opinion.

Second, there is the hearer with a mind similar to the shallow ground. He fails to think things out or think them through. Some people are susceptible to every new craze or fad. His life is littered with things begun and never finished.

Christianity is not only a privilege but a responsibility. A sudden exciting adventure can burn out as quickly as a fire which soon goes out.

Third, there is the hearer who has so many interests that sometimes the important things get crowded out. Sometimes a person gets too busy to pray. He doesn't have time to read the Bible.

This hearer can become so involved in committees and services for others that he no longer has time for Christ from whom all love and service comes. Or he may become so emeshed in his business that he is too tired to think of anything else.

The most dangerous enemy of the hearer is not the evil things, but those which are second best. He does not consciously determine to stop praying or reading the Bible. In fact, he thinks of these things often and intends to make time for them.

We must not let Christ be shouldered out of our crowded lives. He must have the topmost place, so that all things will have their rightful place.

Finally, there is the man who is like the good soil. His mind is open. He is always willing to listen and to learn. Pride or busyness does not prevent him from hearing; he is ready and prepared to hear.

How many times would men and women save themselves trouble and heartaches if they would take time to listen to the wise counsel of a friend or the voice of God.

This last hearer not only takes time to listen but he understands. He takes time to think things out and know what it means to him and is prepared to accept it.

This hearer is then ready to put into action what he has heard, digested and understood. He produces good fruit. The real hearer listens, understands and obeys.

Let the Word of God fall upon your open mind. Listen to what God in Christ says to you. Make its application to your life and live by it.

Jesus said, "Be not a hearer only but a doer of His Word." By so doing your life will truly bear fruit.

TALLAHASSEE -- Drivers who manage to obtain a drivers license in more than one state are finding new restrictions on their Florida license said the Florida Highway Patrol today.

Drivers from other states who applied for a Florida License and also want to keep their home state license previously could sign an affidavit and retain the home license. The 1981 legislature passed a law which required Florida driver licensing officials to stamp "Valid in Florida Only" on the Florida license.

Raiders travel to section

Belle Glade—The Glades Central Raiders Boys Basketball team are on their way to the Sectional with a victory over Suncoast High School Tuesday night.

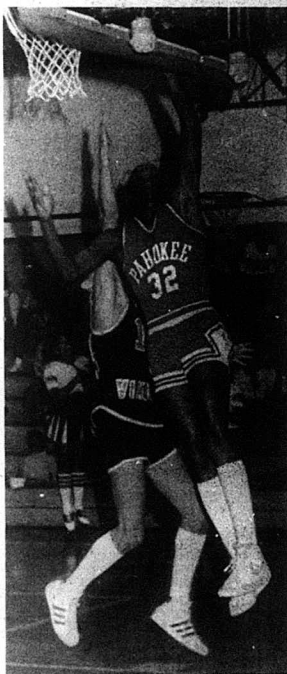

Playing at home, the Raiders defeated the Chargers 71-67.

With a swarming man to man defense and aggressive rebounding and passing, the Raiders victory helped emphasize a point Glades Central Coach George Mattes has been trying to make all year.

Forward Allen Sears, given the task of guarding All-American Richard Relford for most of the game, led the Raiders with 24 points and for key rebounds. His uncontested layout off a pass from Glades guard Willie Blackmon, gave the Raiders a one point lead with 2:58 remaining in the game. The Raiders led by as many as 11 points in the first half but were caught and passed by the Chargers at the start of the fourth quarter.

Guard Edwin Haynes fouled out of the game but scored 14 points for the Raiders before retiring to the bench.

Even though Relford led all scorers with 31 points, including 17 of 18 from the foul line, Sears virtually matched his counterpart point for point.

Senior Joe Walker goes up for a easy shot against Bishop Verot Friday night. The Devils won the District and the Regional and will play Deerborne Saturday in Miami.

Devils victory moves them to sectionals

PAHOKEE—The Pahokee High School Boys Basketball team are on their way to the Sectional competition after easily defeating Melbourne Central Catholic Tuesday night.

The Devils, coached by Eddie Rhodes, defeated Melbourne by a score of 78 to 53. Center Anthony Bryant scored 12 of his 26 total points in the third quarter to bolster Pahokee's easy victory.

At half time the Devils led by a score of 42-20.

Pahokee, 19-6, advances to meet Coral Gables Deerborn Saturday at 8 p.m. at Deerborn in suburban Miami. Deerborn earned a 49-45 win over Miami GLEN Tuesday night also.

The Blue Devils jumped to an early leading, opening with a 2-12 defense and mixing it up by the second quarter. After the first quarter, the Blue Devils led by 19-12, and never did trail after that.

Also scoring for the Devils Tuesday were Floyd Henry with 14, A. Wilson with 16 points, Joe Walker with 4, Walter Johnson had 8, Melvin Jones contributed 4, Alvin Hill, 4 and Juan Rubio had 2 points.

Before reaching the Region 7 AA Championship, the Devils had to defeat Bishop Verot Friday night and the Clewiston High School Tigers Saturday night.

Against Bishop Verot, the Devils handed Verot a 61-53 loss.

The District 14 2A Tournament held at Pahokee was the turning point for many of the Pahokee players.

Coach Rhodes said rookie Melvin Jones came off the bench and scored 7 consecutive points for the Devils.

Pahokee was paced by two other players in double figures along side Jones. Floyd Henry scored 10 points and Joe Walker had 14. Jones in his first year with the Devils, never played any organized high school sports before this year.

Walter Johnson also had an exceptional night for rebounding for the Devils, according to Rhodes.

Contributing to the score also were Anthony Bryant with 6 points, A. Wilson with 5, Kirk Patrick had 4, Walter Johnson, 7, and Alvin Hill 2.

Against the Clewiston Tigers Saturday, the Devils had another exceptional defensive game.

The Devils handed Clewiston a solid defeat with a 71 to 40 score.

Center Anthony Bryant was the game's leading scorer with 14 points. He was followed by Floyd Henry with 13. Joe Walker had 11, Walter Johnson, Melvin Jones, 10 each, Kirk Patrick 5, A. Wilson 3, Daniel Outlaw, 2 and Anthony Smith 1.

If the Devils win against Deerborn Saturday, they will travel to Lakeland March 11 to play in the state competition.

Gators and Crusaders lose in semi-finals

BELLE GLADE—Two Belle Glade high school basketball teams travelled to Pompano Beach Highlands last week to play in the 1A District tournaments.

Neither came back a winner. The Belle Glade Christian Crusaders ended their season Friday night against a strong Boca Raton Christian team.

The Glades Day Gators finished up their season that night also when they lost to Pompano Beach Highlands Christian.

The Gators scored more points from the field than their opponents, but came up on the short end of a 69-49 score anyway.

Highlands shot 29 of 37 from the foul line and outscored the Gators in every quarter.

"When they put a shot up, it was a good shot," said Gator Coach Richard Schmidt.

Richard Schiele led the Gators with 14 points and 15 rebounds. He was followed by David Lakatos, who collected 10 points and 10 rebounds.

The teams third leading scorer was Jorge Rodriguez who also collected six rebounds in his nine point game.

E.J. Miller scored six and gathered three rebounds. Oscar Toledo, who scored four, collected five rebounds.

Three Gators scored two points in the game: Scott Meredith, Raul Garcia and Andy Fontaine. Garcia gathered three rebounds and Meredith two.

Fontaine, Frank Thompson and Mark Thompson each collected one rebound.

Thursday, the Gators and Crusaders each advanced to the semi-finals with victories.

The Gators went up against Zion Lutheran and, in a contest which was tied at 51 at the end of regulation time, fought to a 62-57 victory.

Schiele again led the team with 15 points and 17 rebounds. Lakatos scored 14 and collected 12 rebounds to be followed by Meredith with nine points and four rebounds.

Toledo hit for eight points and Rodriguez scored seven and picked up three rebounds.

Raul Garcia scored six points and snagged one rebound.

Mike Basore scored two points and Fontaine put one point on the boards. Fontaine also got three rebounds.

The Gators finished the season at 14-10. Meredith led the team with 298 points, averaging

13 per game. Lakatos scored 283 during the year for a 12.9 average. Schiele 265 (12.6), Garcia 235 (10.2) and Rodriguez 155 (6.7) and Toledo 124 (5.4).

"I was more than satisfied," said Schmidt. "I thought the boys did an excellent job for the schedule that we had. They never quit even if we got behind. Overall, I was satisfied with the year. They should be commended."

The Crusaders had advanced to the semi-finals when they beat Boca Academy 74-64 Thursday night.

Down 19-18 after the first quarter, the Crusaders outscored their opponents each of the last three periods, tying the score at 29 in the half.

"They had a full court press during the whole game," said Coach Woody Salvatore. "We finally broke it. We hit the boards good that night. Overall, we had a pretty good game."

Scott Hudson led the Crusaders with 30 points and 15 rebounds. He was followed by Luis Garcia, who picked up 15 rebounds to go along with his 18-point game.

Two other Crusaders hit double figures that night: Cary McKee, 13 and Tavi Garcia, 10.

It was the first time all season that McKee scored in double figures.

Roly Ramos scored two and Alex Morales one. The Crusaders ended their season the following night when Boca Raton Christian outscored them by 15 points: 70-55.

"Two trips down there sort of wore us down," said Salvatore. "They kept us outside and we weren't hot from outside. They shut us down from the inside."

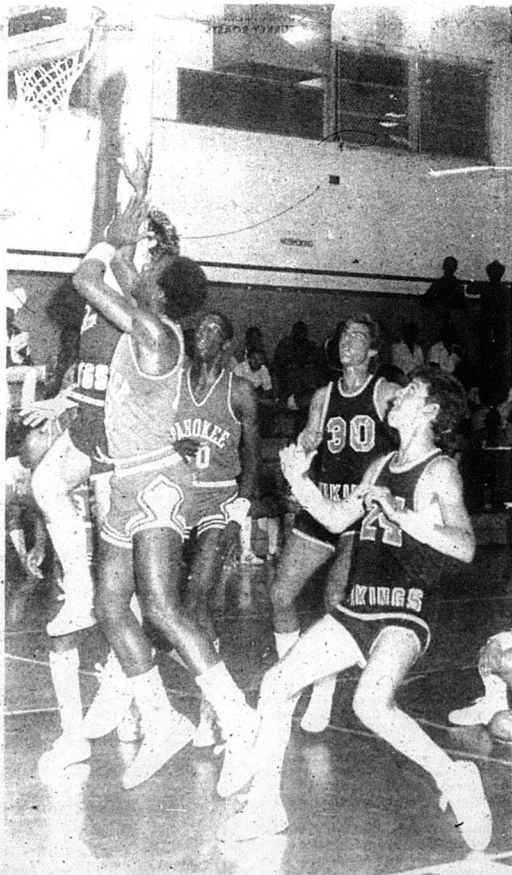

Rob Edwards led the Boca effort with 25 points.

"He hurt us real bad under the boards," said Salvatore.

Luis Garcia scored 19 points, Morales 12 and Hudson 10. Tavi Garcia hit for nine, Robert Echols three and McKee two.

The Crusaders finished the season at 13-12.

"We improved in a lot of areas," said Salvatore. "In attitude mainly. We started playing basketball and not worrying about the officials. It was a good experience for all of us this year. We have only one graduating starter on the team, Hudson. So we should be pretty strong next year. I would have liked to see us go further this year, but that's the way it worked out."

Gators softball team ready

By JEFF BROWN

BELLE GLADE—The Gators Softball team has set two goals for itself, according to Coach Mandy Perez.

He said the team is looking to go 12-0 against teams in its class, thus achieving the top seed in the district tournament.

The second goal is to win districts.

With 14 returning lettermen on the 18-girl squad, and a winning tradition, Perez doesn't seem to think those goals are too high.

"In basketball, we've been trying to catch up to the other schools," said Perez, who doubles as girls basketball coach. "But softball's different. The worst year we've had was when we went eight and eight. We've won districts three times and came in second twice."

Last year, the Gators went 17-5.

To improve upon last year, the squad is relying upon the veterans. Seven members of the squad are seniors and eight are juniors. The other three are freshmen.

The starting line-up includes three pitchers: Marylynn Thompson, Luly Blanchard and Neena Mock.

Ini Tomeu will serve as the Gators starting catcher.

First base will be the domain of Lauralee Green. The Gators starter at second will be Judy Austin. Sheila Lashley will start at third.

Kelly Teets will round out the double-play combination. Holly Crum will be the "tenth player," starting at short-field.

In the outfield, only two starters have been determined: Tammy Scruggs in right and Angee Adams in left.

Three girls will be going after the starting position in center: Ivette Garcia, Paige Poole and Cheryl Hooker.

The team's weakest link would appear to be in the lead-off position, according to Perez.

"We're waiting for someone to come up and say their one, but no one's done that yet. We need someone who can run and has a good on-base percentage," he said.

Short fielder Crum and catcher Tomeu appear to have the edge in the lead-off position, according to Perez.

Batting second will be Lashley, who has exhibited an ability to hit for power in the pre-season practices. Lashley, Adams and Tomeu are

considered the speed merchants on the team, said Perez.

Adams is fated for the third spot in the batting order.

Lashley is considered the most aggressive baserunner by Perez.

"She likes to slide. She's always in the dirt."

The clean up hitter will be Kelly Teets. Last year, Teets and Adams went neck and neck for the batting average title on the team. Adams led the team in runs scored and walks, while Teets hit the most home-runs and drove in the most runs.

First baseman Lauralee Green will hit fifth and Tammy Scruggs will follow.

According to Perez, Green and Scruggs are "explosive, sacrifice type hitters. They may have three or four bad times at bat but then they'll hit that long pop-up that we need."

Other players on the team include Marylou Blanchard, a back-up second baseman; Roxanne Martin, a second left-fielder; Mel Swager who will serve as a spare catcher and first baseman; and Jamie Wills who will also back-up at first.

Lampton to speak

B. F. "Biff" Lampton, former publisher of the Belle Glade Herald, will speak to the members of the Glades Historical Society on "Significance of 'Wild Life in South Florida,'" in the conference room of the Belle Glade Municipal Library at 8 p.m. Thursday, March 4.

Lampton is currently working with the Florida Game and Fresh Water Fish Commission.

While with the Belle Glade Herald, he edited the special editions on the 50th anniversary of the City of Belle Glade and the hurricane of 1928.

He has spoken and written articles on the history of the pioneer cattle industry of south west Florida and he speaks with authority on the wildlife of the area.

The event is open to the public.

CREDIT PROBLEMS?
If your loan application to purchase a new or used car was turned down by the Bank or other lending institution, the Stewarts may have good news for you. For a limited time, we have over \$200 million dollars available for auto loans. Credit requirements are more liberal than what you've probably experienced. Terms are longer, and no down payment is necessary. Interest is well below PRIME LENDING RATES CHARGED BY MOST BANKS.
Call now and drive home today in your new Pontiac, Toyota, Mazda, Ford, or Peugeot. Call for an appointment or come in. Ask for Mr. Foster, Special Fund Finance Manager.
